Foreword by Vice Chancellor

North East Frontier Technical University (NEFTU) has been established by the Government of Arunachal Pradesh vide an Act No: 11 of 2014 under the aegis of The Automobile Society India. The University has taken a stride forward in its development by establishing 5 faculties and offering more than 10 courses in these faculties in a short period of time. As a temple of learning the university is committed to uphold the sacred objective of transforming the young minds as a human asset through the multi dimensional pedagogy blended with innovative course curricula, latest teaching methods, hands on training and intensive personality development and mentorship programmes. In addition, the university has state of art infrastructure, hassle-free community life and well qualified, experienced, and dedicated faculty. To make inculcate innovativeness amongst the faculty and students the focus of the university is on conducting research seminars, conference, and workshops. It is our endeavour to become one of the best universities in this region and we are continuously moving in this direction. A proper planning of the department in regard to training, academics, and research is an integral and important part of future planning of any University.

We at every level have put-in maximum efforts to develop each discipline taught at the University in a best way, as today's planning shall become foundation of the forthcoming institutions of eminence in the respective field of education. Innovation in teaching methodology is the demand of the day. The age old methods, though useful and tested, require to be updated to train best of skills and impart knowledge without putting much stress and strain on budding minds.

In the pursuit of social services, the university is providing free legal services to the nearby villages through organizing various camps. In its social role, the university has also adopted near by village for its overall development and effective execution of the Govt. policies.

The overall development of personality is necessary of each of our student to make them capable of dealing with all possible challenges in profession and future life.

Based on the achievements enumerated in the Annual Report of the university in a short span, we are confident that the university shall make a mark for higher accomplishments with more dedicated efforts in the forthcoming academic sessions.

(Dr. Tejum Padu)
Vice Chancellor

CHAPTER-1

About the University

Name	:	NORTH EAST FRONTIER TECHNICAL UNIVERSITY (NEFTU), AALO, WEST SIANG ARUNACHAL PRADESH

University Fax No.	:	NA
Name of the Sponsoring Body of the University	:	THE AUTOMOBILE SOCIETY INDIA 608, PACE CITY – II, SECTOR- 37, GURUGRAM, HARYANA
Date of Gazette Notification by the State Govt. of 1 st Statutes of the University	:	31st March, 2017

NORTH EAST FRONTIER TECHNICAL UNIVERSITY (NEFTU)

The North East Frontier Technical University is situated in a pristine site in Aalo, enfolding scenic grandeur and fascinating natural assets. It is entrenched in the West Siang of Arunachal Pradesh as a radically advancing hub of education. Ever since its inception, the university has been trying to achieve academic excellence and fulfill the objective as envisaged in the University Act and has evolved into India's leading institution of learning, discovery, and innovation. NEFTU is a conscientious venture by a bench of prudent visionaries and educationists. Founded in the year 2014.

North East Frontier Technical University (NEFTU) was established under 2F of UGC Act 1956 through The North East Frontier Technical University Act, 2014, by the Government of Arunachal Pradesh Legislative assembly (vide notification number LAW/LEGN-9/2014)

The University traces its roots to the legacy of 'The Automobile Society India; that has been reforming and redefining India's developmental scenarios for a trail of decades. The Automobile Society India which sponsors NEFTU is a registered charitable Trust. The Trust has been opportunely executing several institutions within the country in the disciplines of Automobile Engineering and Electrical Engineering.

NEFTU a name tagged to enhance the strength of Indian education while offering the quality and Natureful education in all most every theme of major discipline. Being as a top ranking university of India commits to bring the students with bright future. We also conduct orientation session under the operation head where we analyze the interest of the students as per their past education and experience and then offer the best suited career Programme.

NEFTU offers a unique experience to our graduate students, including the opportunity to work with the leading academics and with libraries and collections, where one can easily get the book of one's choice.

FACULTIES OF THE UNIVERSITY

1. Faculty of Engineering & Technology
2. Faculty of Arts & Humanities
3. Faculty of Pharmacy
4. Faculty of Education
5. Faculty of Law

Vision

North East Frontier Technical University is dedicated to chisel the Students with Futuristic Quality Education on par with Global Standards, Yet Ethically strong, entwined with Values and Discipline and to build Mutual Reputation through the Smart Students who in turn will improve the Quality of Life Globally.

Mission

The mission of NEFTU is to provide quality education, creative skills and instils in them a professional attitude so that they emerge as highly successful professionals. NEFTU is committed to foster leadership quality amongst its students.

Jurisdiction

The jurisdiction of the University is in whole State of the Arunachal Pradesh.

CHAPTER -2

1. Faculty of Law

The Faculty of Law offers two programmes –LLB 3 Years and LLM 2 Years. Striving to impart professional legal education of the highest academic standards achieved through globally relevant programmes, outstanding faculty, interactive teaching, extensive clinical training, intensive moot court sessions, varied internships and real world projects, the Faculty of Law at North East Frontier Technical University has become a preferred destination for the study of Law.

The curriculum is designed in such a manner that it includes the latest areas that have developed in the field of Law and the teaching learning process extends beyond the classroom through a continual organizing of seminars, conferences, extension lectures, visits and workshops to provide the students a wide interaction with the legal luminaries and an exposure to the field in which they plan to pursue their profession.

2. Faculty of Engineering and Technology

Faculty of Engineering & Technology has demonstrated its excellence in research in many areas as a vibrant university atmosphere with the combination of strong academic and research activities. Both compliment each other and the students at all levels under the able guidance of the faculty members maintain this brilliant combination and help the Institute to reach the zenith of knowledge and innovation.

FET follows Semester system for evaluating students. FET uses following Teaching Learning methods such as Quiz, Assignments, Case Studies, Roll Play, Model Making, Seminar, Internships, Industrial Visits, Project Based Study, Tutorial, Surprise Test, Soft skills, GDs and Guest Lecture. The main focus is on Practical Learning using Project as part of curriculum, Project Labs, Spoken Tutorial Lab, Online Test, Onsite Learning, Participation in Competition, Regular Review of Projects. FET has fully equipped Intranet with Faculty PPT subjects, Online Expert Lecture (Spoken Tutorial), E-Journals with easy access.

FET is a prestigious Institute of higher learning producing meritorious students with excellent career growth. The students get the best of opportunities in the form of highly advanced courses,

eminent faculty members, well-equipped laboratories, library, hostels and immense facilities to excel in research and development. The selection procedure for students at undergraduate, postgraduate and research level is highly stringent so that FET gets the best brains of India. Highly scientific and innovative technology is used for teaching and carrying out research activities.

3. Faculty of Pharmacy

Faculty of Pharmacy is a pivotal institution with immense potential to carry forward the learning of Pharmaceutical Sciences. The Department was established from the academic session 2015-16 with the approval of Pharmacy Council of India. The Department is currently offering D.Pharm Programme.

We are proud to have highly qualified faculty members who have earlier worked at prestigious universities/Colleges.

The Faculty has rich collection of books in its library with internet facilities, and subscribes to over good numbers of National and International Journals. Its labs are well-equipped with modern equipments. The faculty has rich experience of both academia and industry at the both governmental and private levels.

4. Faculty of Education

As focused in the New Education Policy, that the teacher is the fulcrum around which foundation education revolves. Therefore, for the better exposure and to make the teacher more accountable the NCTE has developed new pedagogy and course curriculum of two years instead of one year. Estimating the wide gap between the requirement and the availability of school teachers in the country after obtaining authorization from state government and approval from NCTE, the North East Frontier Technical University has founded the Faculty of Education w.e.f. Academic Session 2017-2018 to offer two year full time B.Ed. Programme with an intake of 100 seats. The main focus of the Faculty of Education is to facilitate learning among the prospective teachers and equip them with essential skills followed by strong values and professional ethics.

In terms of the infrastructural facilities, the Faculty maintains air conditioned and LCD projector classrooms. Psychology lab is equipped with experimental and testing tools which facilitate to conduct 44 psychological tests. The science lab which is attributed to physics, chemistry, and life science are housed with all required equipments to conduct demonstration, experiments and to take up teacher education projects. Apart this, the faculty provides a range of teaching learning recourses to the students like 60 pieces computer lab well stocked library, magazines, journals, communications lab, Wi-fi campus and nearby schools of adopted villages by the university. Under the internship programme the B.Ed. trainees are involved in school planning, teaching, assessment, and interaction with teachers, community members, and children. They are also engaged in writing reflective journals, develop case studies, and conduct action research.

To accomplish objective the Faculty of Education has appointed well experienced, qualified and dedicated teachers who are not only engaged in managing classes rather organize and participate

in seminars, conferences, workshops and Faculty Development Programmes. In the area of research the faculty has constituted a good amount of articles in reputed journals.

5. Faculty Arts & Humanities:

The Faculty of Arts and Humanities under NEFTU is offering Under Graduate and Post Graduate Programmes in – English, History, Sociology, Political Science, Hindi, Education, Economics. Through the Faculty of Arts and Humanities, the NEFTU seeks to provide opportunities to study theoretically and practically through field/project works and Dissertations. In addition to that the department is fully functional with faculty members belonging to different genres, sectors and encompasses varied skills. The department has planned to launch NEP 2020 based curriculum frame work shortly.

ADMISSION PROCEDURE

(As per the approved Regulation of the University)

Admissions in the University are made strictly on the basis of merit. The merit for admission is determined either on the basis of marks or grades obtained in the entrance test conducted by University or the marks obtained in the qualifying examination. However, the admissions in professional and technical courses are made only through an entrance test.

Unfilled / dropout vacant seats in professional and technical courses are filled up by the University at their own level by considering the marks obtained by the applicants in the qualifying examination and on the basis of their inter-se-merit.

CHAPTER- 7

NUMBER OF SEATS AND ELIGIBILITY CRITERIA FOR DIFFERENT COURSES
